

# *The Old West*

*Impressive how the old West respects  
The notion of a knowing and gnosis...  
Impressive how the old West protects  
It's magic through healthy hypnosis...*

*As a tribute to the Grand Architect  
There is the European tradition of luxury  
For excellence with the aim to perfect  
There is their perennial research and discovery...*

*Fofiq Muscin-zadeh  
2016*
