

# Clearly Pure Georgian Wine

Such treasure in the Kvori jars...  
So Hermetically sealed,  
Deeply original and real,  
Even the sixth sense will be healed.

A glass of the world's oldest and purest wine  
Transcends time and makes it spiral slow.  
On the peaks of the tallest Georgian mountains  
There is that never-melting layer of snow.

Lateral vision during silent flights  
Of the Eagles of the Caucasus  
Oh how very clear and precise  
The view of the world is from their eyes.
