*Think of a clear horizon  
As Sir Hitchcock Described  
Derived from creative illuminating fire  
Between what is and the prescribed.*

*A way of channeling the timeless  
As Sir Conan Doyle explained  
But via Higher Psychographics  
That is handed over and maintained.*

*Vertical orientation, upwards  
Returning to the brightest chosen stars  
Fire is the attaché of the Sun  
Higher than Kings, Pharaohs and Tzars.*
