

# *Hermes' Gardens of Delight*

*Have you, my son?  
Have you ever been there?  
Have you ever visited  
Those gardens of Delight?*

*Those peaceful gardens  
Where nothing can ever go wrong  
As it is beyond wrong and right  
Where one satisfies the drive for flight*

*Have you, my son?  
Have you ever been there?  
In those gardens of Delight  
Where all senses become...  
as powerful as sight...*
